REQUEST FOR ACTION ON CORRECTION OF SMALL ENTITY STATUS

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

Applicant is paying herewith the Issue Fee for the above application *at the large entity rate*, together with the associated publication fee and fee for advance order for copies. However, before issuing this patent, the Office is respectfully requested to take action on certain papers previously filed by the undersigned attorney to correct an erroneous claim to small entity status.

On July 19, 2002, the undersigned attorney filed (simultaneously with filing of a response to the Notice to File Missing Parts) a paper entitled "WITHDRAWAL OF CLAIM TO SMALL ENTITY STATUS UNDER 37 CFR 1.28(c) AND PAYMENT OF FEE DEFICIENCY". Subsequently, on July 22, 2002, the undersigned attorney filed a further paper entitled "CORRECTION OF WITHDRAWAL OF CLAIM TO SMALL ENTITY STATUS UNDER 37 CFR 1.28(c) AND PAYMENT OF FEE DEFICIENCY". For some reason, both these papers appear together in the electronic File Wrapper of this

Honeyman et al.
Serial No. 10/063,803
Request for Action on Correction of Small Entity Status
Page 2

application as a single six-page paper denoted "Miscellaneous Incoming Letter" dated July 22, 2002.

Neither the Office Action dated October 14, 2003, nor any other communication from the Office makes any reference to the two aforementioned papers. Furthermore, although the two aforementioned papers together in effect request that the Office charge the sum of \$1657 to the assignee's Deposit Account No. 501162 in order to correct a good faith erroneous claim to Small Entity Status at the time this application was filed, a review of the Statements for this Deposit Account fails to show any charge corresponding to that requested in the two aforementioned papers.

Accordingly, in order to avoid any possibility that the patent to be issued on this application might be held invalid on the grounds of an incorrect claim to small entity status, it is respectfully requested that the Office now take action on the two aforementioned papers so that this application is given large entity status *ab initio*.

Respectfully submitted

David J. Cole
